

# Advocacy Partnership Offer

## Become Aflatoun's partner and join the Social and Financial Education movement to:

**1**

### Access to the Aflatoun knowledge hub and peer-to-peer learning

e.g. SFE reports, case studies and evidence-based research

**2**

### Priority to co-create research and publications on Social and Financial Education

Join Aflatoun's research working groups and increased visibility

**3**

### Access to specific Aflatoun trainings and workshops

Discount for capacity building on topics such as communication, advocacy, and fundraising

**4**

### Opportunities to collaborate on integrating SFE into national education systems

**5**

### Access to international conferences and events

Participation in Aflatoun's Global Social and Financial Skills Conference and Regional Conferences and other SFE local and global events

**6**

### Access and use of Aflatoun branding and communication materials for advocacy and promotion

**7**

### Connections to Aflatoun's global network of partners

Sharing, learning and exchange opportunities with SFE stakeholders worldwide

## Your contribution as an advocacy partner include:

- 1** Advocate for Social and Financial Education and collaborate to raise awareness with local and global stakeholders
- 2** Support the growth of the movement and the Aflatoun network
- 3** Input into Aflatoun's annual report and other studies and surveys
